

2017년 대한간학회 추계 Single Topic Symposium

Liver cirrhosis and fibrosis:
Prediction and Management of the Complication

일 시 : 2017. 09. 02 (토) 13:20-17:50

장 소 : 을지대학교병원 범석홀

2017년 대한간학회 추계 Single Topic Symposium

Liver Cirrhosis and Fibrosis: Prediction and Management of the Complication

2017. 9. 2 (토) 13:20~17:50
대전 을지대학교병원 3층 범석홀

프로그램

13:20-13:25	환영사	채희복 (대전-충청지회 회장)
13:25-13:30	격려사	이정일 (대한간학회 회장)
Session 1: Assessment of the liver fibrosis, cirrhosis and clinically significant portal hypertension		좌장: 이재동, 이정일
13:30-13:50	Evaluation of liver fibrosis	이세환 (순천향의대) 3
13:50-14:10	Assessment and prediction of clinically significant portal hypertension	김문영 (연세대 원주의대) 13
14:10-14:30	The spleen in liver cirrhosis: revisiting an old enemy with therapeutic target	서연석 (고려의대) 23
Session 2: Management of liver cirrhosis and complication: changing paradigm		좌장: 강영우, 양진모
14:30-14:50	Etiologic treatment and life style modification	이태희 (건양의대) 33
14:50-15:10	Management of patients with ascites	김상균 (순천향의대) 42
15:10-15:30	Assessment and therapeutics of coagulation abnormality in cirrhosis	김석배 (단국대의대) 47
15:30-15:50	Coffee break	
Session 3: Controversies of management of liver cirrhosis		좌장: 송일한, 이한주
Hospital acquired SBP: 3rd cephalosporin vs. Broader spectrum antibiotics		
15:50-16:00	3rd generation cephalosporin	허중연 (충북의대) 61
16:00-16:10	Broader spectrum antibiotics	송도선 (가톨릭의대) 62
16:10-16:25	Q & A	
Thromboprophylaxis in liver cirrhosis		
16:25-16:35	Yes	송명준 (가톨릭의대) 68
16:35-16:45	No	정재연 (아주의대) 72
16:45-17:00	Q & A	
Statin (HMG-coA reductase inhibitors) for portal hypertension		
17:00-17:10	Yes	고순영 (건국대의대) 78
17:10-17:20	No	은혁수 (충남의대) 80
17:20-17:35	Q & A	
17:35-17:50	Closing remark	이한주 (대한간학회 총무이사)
